## Rajkumar College Society

---

Rajkumar College, Raipur, is one of the leading Public Schools of the country and the only one in the State of Chhattisgarh. Established in 1882. This is one of the five Chiefs' Colleges alongwith Mayo College Ajmer, Daly College Indore, Rajkumar College Rajkot and Aitchinson College Lahore, which were established 1860 onwards to educate scions of royal families.

Rajkumar College is an institution where excellence is a tradition and we believe that each student is special and has the potential to excel in many different spheres. The founding fathers of the College rightly chose the, College motto as *"Swadeshe Pujate Raja, Vidwan Sarvatra Pujate"*; **"A Raja is honoured in his own country, a learned man throughout the world"**.

In conformity to our motto, we aim to provide quality education in Humanities, Commerce and Science. Through carefully crafted interaction and activities both within and outside the classrooms, we provide experiences that help the student to discover innate capabilities, set life long goals and proactively work towards their fulfillment.

The College has as its backbone excellent infrastructure, updated teaching laboratories, large number of playgrounds and ample facilities for the students in the hostel and classrooms. We give equal emphasis to curriculum and outdoors. The curriculum is the soul of the academic structure of the school, to move ahead on the desirable lines and priorities. The pages that follow, shall speak volumes of the history, ethos and activities of the College. When you visit Rajkumar College, you can personally discover more than what contains in this prospectus.

Thus, once your child becomes student at this prestigious institution, it would pave a way towards his/her bright future.

## Origin

Rajkumar College, Raipur, one of the premier institutions of Eastern India, was founded by Sir Andrew Fraser, the then Chief Commissioner of C.P. and Berar, in the year 1882 at Jabalpur. The foundation was laid to impart education to the sons and relatives of the Ruling Chiefs and Zamindars of the Eastern States, who had donated funds to establish the same. The School functioned at Jabalpur till 1894 and thereafter, shifted to its present site at Raipur. The seeding being done, the sprouting was left in the hands of Rev. G.D. Oswell, who was the Principal of Rajkumar College, Raipur from 1894 to 1910. He was followed by Mr. G.S. Carey, Mr. V.A.S. Stow, Mr. T.L.H. Smith Pearse and Mr. J.M. Gwyn were some British Principals who contributed to the pre independence growth and development of Rajkumar College.

## Indian Public Schools' Conference, 1939

Rajkumar College is the founder member of the prestigious "Indian Public School Conference" along with Daly College Indore, The Rajkumar College Rajkot, Aitchison College Lahore, Scindia School Gwalior, The Doon School Dehradun & Bhonsala Military School Nagpur. Mr. T.L.H. Smith Pearse, Principal Rajkumar College Raipur was the first Organising Secretary of IPSC held at Gorton Castle, Shimla in 1939.

The College has hosted this prestigious conference four times i.e. in 1940, 1953, 1988 and recently in 2012, a record of sorts.

## Organisation

The College is run by the Rajkumar College Society, Raipur (Chhattisgarh) and the Management of the College, is vested in the hands of a Governing Body formed from amongst the Members of the Society which includes the Life Members, representatives of the old boys, parents and the nominees of Governors of Chhattisgarh, Orissa & Jharkhand. The Governing Body of the Rajkumar College Society, consists of a General Council (GC) and a Managing Committee (MC). While the General Council, headed by the President is the supreme body that formulates policies, the day-to-day administration of the school is overseen by the Managing Committee headed by the Chairman. The President, Vice President and the Members of the Managing Committee are elected for a period of five years. The Principal, by virtue of being the ex-officio Joint Secretary of Rajkumar College Society, is a member of both General Council and Managing Committee.

## Teaching Staff

The Management of the College feels that there are no short cuts in education; and it is the staff that makes or breaks the school. In theory, most people agree that a teacher is a very important member of the society, one who can exert a big influence for good and bad. The College Management has taken sufficient care to ensure that it has sufficient number of qualified and experienced teaching staff. The strength of the College, is having proportionate staff to the number of students. The Principal is the head of the institution and is assisted by the Vice Principal and Head, Senior section. The Bursar is in-charge of all financial and administrative matters of the College.

## Curriculum

The curriculum in the earlier years prepared the erstwhile Kumars of Princely States for the Chief's College Diploma and the College had the credit of securing the best Diploma results for several years, compared with other Chief's Colleges. The College started presenting boys for the Cambridge Examination in 1942, replacing the Chief's College Diploma Examination. The Cambridge Examination continued in this College till 1963 and later on an Indian Board with the local syndicate in Delhi, was established to conduct the examination on the Cambridge pattern. The College at present, is affiliated to the Council for the Indian School Certificate Examinations, New Delhi since 1958 and prepares the students for Indian Certificate of Secondary Education (Class X) and Indian School Certificate (Class XII) examinations.

The medium of instruction is English but it lays equally strong emphasis on Hindi. The subjects taught in the normal curriculum are English, Hindi, Sanskrit, Mathematics, Physics, Chemistry, Biology, Computer Science, History, Geography, Economics, Political Science, Commerce, Accounts, Music, Fine Arts etc., thus the College boasts of having all the three major streams i.e. Science, Arts & Commerce. The subjects taught are prone to alteration, as laid down by the Council for the I.S.C. Examinations, New Delhi from time to time.

## Aim & Objectives

The aim of the College is to prepare students academically, physically, psychologically and morally in secular environment for entering any walk of life. This is achieved by seeking to develop character, promote esprit-de-corps and dedication to a purpose by inducing a patriotic outlook and desire to serve the country in any capacity with efficiency, industry and zeal. The overall emphasis is focussed on achievement of an all-round development of the child into a young individual possessing a maximum of those values which will make him or her a better human being. In specific terms, the objectives we hope to achieve are :-

1. To recognise and to encourage talents of all kinds and of all degrees, and to endeavour to stretch the intellectual and creative capacity of individuals.
2. To pay particular attention in stimulating intellectual curiosity, to encourage clear thinking, and to develop an interest in the process and resources of learning and in learning how to learn.
3. We endeavour to :
  - (a) Providing courses of higher studies that directly prepare students for good careers in which there are likely to be openings.
  - (b) Preparing students for the Civil Services, Defence Services, Engineering, Medical, Business, Accounting and imparting administrative training.”
  - (c) Facilities to develop one's personality by having access to state of the art sports, music and art facilities.
  - (d) Counselling parents, where necessary, to encourage their sons and daughters to seek independent honourable careers.

## Academic Standard

Rajkumar College has throughout maintained academic standard of a high order. Students pass out of the College with distinction and good percentage. Our students have performed exceptionally well in professional colleges and universities.

To ensure all round development, emphasis is laid on both modern and traditional teaching. Thus, most of our class rooms are equipped with smart class devices, in addition to the state-of-the-art computer, physics, chemistry and biology labs with qualified staff.

As regards traditional teaching, the college has a fully staffed and equipped music and art departments.

## Hobbies and Projects

Students in the College are kept busy with hobbies and projects (SUPW), so as to allow them to develop their creative talents. Each student has to offer one of the following projects/hobbies viz. Carpentry, Origami, Cooking, Painting, Electronics, Music, Photography, Clay Modelling, Wood Work, Aeromodelling, Nature and Wild Life, Book Binding, Gardening etc. Their models are exhibited during the Prize Giving Annual Functions. The College has an active Dramatics Society.

## National Cadet Corps

N.C.C. training is imparted to students in the Senior Section. Our cadets have been fairing exceedingly well in the annual training camps and have been winning leading positions in the Drill, the Kit lay-out, Shooting and Cultural activities.

## Examinations and Progress Report

The progress of a student is measured by regular Internal Assessment tests and two main examinations in an academic year. The Principal's decision in matters regarding placement and position of students in a class is final.

## Seva Samiti

The College has been conducting a highly successful social welfare activity through the Seva Samiti. The students render help to those less fortunately placed in life. The activities of the College Seva Samiti are unique. Through Seva Samiti, the students undertake social work, viz, helping the children of the subordinate staff, paying visits to nearby orphanages and old age homes in order to help them.

## Tutorials and Career Counselling

The College has a tutorial system for improving the academic standard of the boarders. Extra coaching apart, the College also provides facilities for pre-medical and pre-engineering classes for the students in classes XI and XII. The lectures are given by the experts selected by the Principal. The College also has a Career Counselling Cell to provide information about the careers to be chosen by the students.

## Tours & Excursions

The College organises trips, educational tours and excursions to different parts of the country and the students in rotation, get opportunity to visit these places to become familiar with the flora and fauna, architecture, culture and economic conditions of the people each year in March-April. Educational Tours abroad are also equally popular.

## Campus : Oxyzone of Raipur

Rajkumar College has a rich legacy of environment protection. From its very inception, no stone has been left unturned to promote the cause of ecology. The lush green campus is ample proof of the revolutionary zeal of the founders of the school who meticulously planted neem, mango, peepal, banyan, sal, teak. Over the years, water harvesting has been successfully implemented which has recharged our water table. A large pond located in the north east of the campus further replenishes the reserves. Every year tree plantation is conducted by students who tend to the saplings. A 2 acre farm is operational on the campus which provides organic vegetables to the school mess. No wonder the campus is termed as the Oxyzone of Raipur!

## Mess and Catering

The College has a large Dining Hall, namely Sarangarh Dining Hall, which was inaugurated by Dr. Rajendra Prasad, the then President of India, where over 600 students can be served meals at a time. The boarders, have their meals together. Our Mess provides food of high quality. There are separate kitchens for cooking vegetarian and non-vegetarian food. Separate utensils and dining areas are used for serving vegetarian and non-vegetarian food. Each meal is supervised by a Mess Manager and Dining-in-teachers, who impart table manners and dining etiquettes to the students.

## Hospital

The College has a fully equipped 40 bedded hospital with a qualified Medical Officer. Trained nurses live inside the campus. Expert physicians and other specialists are on call. Regular medical examination is conducted for every student and their medical records maintained. In addition a separate Lady Doctor has been specially engaged on call for the boarder girls and they also have a separate medical ward for them, located within their hostel.

## Prefectorial System

A Boarding School is known for its prefectorial system. For the purpose of inculcating leadership and discipline among students, Prefects are appointed by the Principal on the recommendation of the faculty. These Prefects are responsible for the day-to-day discipline among the boys and girls in class rooms, play fields and in the boarding houses. The team of Prefects works under the overall leadership of the Head Boy and the Head Girl of the school.
