## **The Influence of Parents' Behavior on Children's Growth and Development**

Parents are the first and most influential role models in a child's life. Their behavior, attitudes, and values shape the foundation upon which their children build their own identities. Here we explore the profound impact of parents' behavior on their children's growth and development.

Parents' behavior serves as a blueprint for children. From a young age, kids observe and internalize the way their parents communicate, solve problems, and handle emotions. These observations become the building blocks for their own social and emotional development. If parents model kindness, respect, and effective communication, their children are more likely to exhibit these qualities in their interactions with others.

Additionally, parents' behavior greatly affects a child's self-esteem. Positive and nurturing behavior fosters a sense of security and self-worth, while harsh or inconsistent parenting can lead to anxiety and low self-esteem. Therefore, the way parents treat their children sets the tone for how their children perceive themselves and the world around them.

Parents also play a pivotal role in shaping their children's values and beliefs. Their behavior, including their ethical choices and moral values, serves as a guide for their children. Children often adopt their parents' attitudes and beliefs, which can significantly influence their decision-making throughout life.

It's crucial for parents to be aware of the impact their behavior has on their children. They should strive to be positive role models, displaying empathy, patience, and respect. By fostering a loving and supportive environment, parents can nurture their children's emotional well-being and help them develop into responsible, caring individuals.

Parents' behavior has a profound and lasting impact on their children. It molds their social and emotional development, self-esteem, and values. By modeling the behaviors and values they want their children to embody, parents can create a positive and nurturing environment that supports their children's growth and development.

## The pet that I would like to have.

I always wished to have a rabbit as my pet. I would name it Sweetie. I love rabbits because they are very sweet, soft and cute. They are very small animals. I saw them every day in school when I was in class 1 and I started liking them and wished to have one as my pet. They run very fast, they also can jump and eat fast too. Rabbits love eating carrots and cabbage. The colour of the rabbit is white, black, and brown. I love white-coloured rabbits. Rabbits have big, beautiful eyes and small ears. They love digging holes and sleeping in them.

**Joy Bajaj, Class II C**

## How I spent my summer holidays

Summer holidays are the best days for me, this summer vacation my father took us to Thailand I was super excited to see the place. When we arrived, my father had already made a booking for all the places we were going to visit. We went to the Safari World and I saw giraffes, zebras, tigers, lions, etc. We enjoyed the art gallery in Pattaya and the dream world. We went on a seven days trip and I enjoyed each and every day. Last we went for a boat ride and enjoyed ourselves at the beach.

**Sanvi Partani, Class II A**

## The pet that I would like to have.

There are many pets like cats, dogs, parrots, rabbits, turtles, etc. My favourite pet out of them is a dog because they are strong, faithful, loving and cute. They also can be our best friend. I would like to have a golden retriever and will name her Oreo. In the morning, I will take her for a walk, give her morning breakfast and water in a clean vessel. When I will be back from school, I will play with her like I throw the ball and she will get it for me. I will train her.

## A Rainy Day

One day, it was very pleasant weather because a day prior it was sunny weather. It was about to rain. I went inside my house and asked my mother, 'It is very pleasant weather. Can I go to play outside?' 'Yes, you can but come fast,' said my mother. 'Ok Mama', I said. I went outside and saw it started raining heavily. Then, I went into my house and said Mama it started raining. I can't play now. She asked me to go and ask your friends if they would play with you in the rain. I asked my best friend and he said he would play with me in the rain, but he asked me to play football. I brought my football and we started playing. After a while, my friend fell in the mud. His clothes were dirty. Then, he went to his house to change. I went inside my house too and took a bath and then I went inside my mother's room to tell her to make some potato wedges for me because I was feeling hungry and I love to eat potato wedges when it rains. So, she went inside the kitchen and made yummy potato wedges for me. I went on the balcony with my mother and brother and ate potato wedges and then we sat at the door of her house and we were enjoying the monsoon. I love to eat potato wedges too. In some of the areas, some people sell cooked corn. I love to eat cooked corn too. I also love to play in the rain. I will remember this day forever. It was a very nice day for me and this season is my favourite season ever. That was also a memorable day for me.

**Viaan Sundrani, Class III G**

## My Favourite Book

There are two kinds of books, fiction and non-fiction. I think the fiction ones are better because they are creative and anything can happen in fictional stories. Fairies can pop out of nowhere, animals can talk, etc. These books are very interesting.

My favorite book's name is 'Goodbye Malory Towers'. It was written by Enid Blyton. She is an author that makes you feel that you are standing right there watching the story happen. In the book 'Goodbye Malory Towers' an old pupil has come back to teach where she was herself a pupil. When she was a pupil, she was very snobby, and nobody liked her. A maid called Daisy had joined when that old pupil was in the fifth form. The old pupil's name was Gwendoline Mary Tacey and she looked down on Daisy because she was poor. Gwendoline then had come from a very affluent family. Daisy was holding a grudge against Gwendoline. So, when she came back as a teacher, she played spiteful tricks on her making it hard for her to stay.

It is a very good book though I would like it if the spiteful tricks were a team effort and the tricks were happening to more than one person. Enid Blyton is a very good author and her books are the best. I would like to read all of them if they are just as good as 'Goodbye Malory Towers'.

**Anwika Agrawal, Class III G**

## My Favourite Cartoon Character

My favourite cartoon character is Baymax. He's a personal healthcare robot. His friends are Tadashi, Hiro, Fred, etc. He's a robot made by Tadashi. His other friends are Wasabi, Go-Go, Honey Lemon and Minimax. He helps people who are injured or with medical issues. He is a superhero from the "Movie-Big Hero 6." He protects everybody from getting hurt.

Baymax is a big white robot that is activated with chips. He can never function properly without Tadashi's chip that lets Baymax be Baymax. He is a kind robot he can even talk. Hiro is Tadashi's younger brother Tadashi made Baymax and Hiro turned Baymax and his friends Fred, wasabi, Go-Go and Honey Lemon into superheroes. Tadashi's and hero's aunt is Aunt Caras and she's a Baker. Their pet is Mochi the Calico Cat. Aunt Caras works in a café called "Lucky Cat Café." The café is attached to their home. There are many villains as well as Blobby the BLOB, Professor Callaghan and more.

## An Enjoyable Sunday

Sunday is the most fun part of our lives as it is the only day of our lives when we rest. Sunday is also called the weekend as it is the last day of a week, and a new week will begin after Sunday.

Last Sunday was the best Sunday ever because we went to the mall. Last Sunday when I woke up and saw the time it was 10:30 a.m. Then, I ran towards my parents to tell them that I wanted to go to the mall. They promptly said 'yes'.

My younger brother filled up a water bottle. Then, we all were ready to go there. We sat inside the car. My father started driving after we sat. It took us thirty minutes to reach the 'Magnet Mall'. Then we went to the first floor where we all talked about games. We went inside the 'Game Zone'. It was very fun. I loved it. It was the best Sunday I ever had.

## Reading- My Favourite Past time

Reading books either educates us or entertains us. Reading books is good for the health of our eyes. They entertain us without hurting our eyes with harmful ultraviolet rays. My favourite pastime is reading because there are many fun and action-packed books.

I normally read Harry Potter books because they have a very interesting combination of comedy, mystery, magic, and action. I have only completed two books which are 'Harry Potter and the Philosopher's Stone' and 'Harry Potter and the Chamber of Secrets'. I am currently reading 'Harry Potter and the Prisoner of Azkaban' which is four hundred and sixty-two pages. I read it almost all day and I recommend it as it is a very good book.

Reading books is a good habit which we should have. Reading books is no different than watching television except that they do not have harmful ultraviolet rays.

**Aman Jain, Class IV C**

## My Favourite Festival

Festivals are celebrations in memory of gods, freedom fighters, great people etc. In festivals, we eat sweets, delicious delicacies etc. There are many kinds of festivals like Holi, Shivratri, Diwali, etc. My favourite festival is Ganesh Chaturthi. In Ganesh Chaturthi, we make homemade or sweetshop's modal and laddu.

Laddu and Modak are the favourite sweets of Lord Ganesha. We celebrate Ganesh Chaturthi because on this day Lord Ganesha was born. We also worship Mushak, the pet mouse of Lord Ganesha and the king of all the mice. Lord Ganesha is the son of Lord Shiv and Parvatiji and the brother of Lord Kartikeya. It is the first festival of the year. In this festival, we bring Lord Ganesha's and Mushak's small mud statues and worship them for some days. Finally, we do final ritual to the statue in the lake and river.

Ganesh Chaturthi is celebrated on different days, but this year, it will be celebrated on the 18<sup>th</sup> of September. I will celebrate it and will have lots of fun.

**Abeer Goel, Class IV G**

## My role model (my inspiration)

A role model is a person whom you like the most and want to become like him or her. My role model is my mother.

A mother is a person who gives birth to you. She never cheats. makes food for you, fulfills your demands, and always loves us. She always supports us. She makes us perfect. She helps us study. She makes her interest like us. She is the first one to help us.

My mother is a housewife. She loves to eat green vegetables and healthy food. Her hobby is playing piano and watching India's Got Talent with me. Her dream is to become an artist. I want to become like my mother because she is very strong and never gave up when she was around 5 years old earthquake came in Surat. She was very scared but didn't give up. She helped her parents to get out of this earthquake and shifted to Raipur. I want to be like my mother a brave and strong person. She helped her parents and supported them always.

**SHAMBHAVI SINGH, CLASS I G**

**JIYANSH JAIN, CLASS I B**

**DEVANSH AGRAWAL, CLASS III A**

## Importance of friendship

A friend is someone whom you can lose easily and can hardly get them back. We should try to get as many friends as possible.

If you create a bond with your friend, he will never forget you even after 10 years. A friend can help you to complete your work and will help you with your projects. If you get hurt a good friend is going to be the first one to reach out to you. A friendship is a bond that can never break. You can't buy a friend in a market you need to try your best to earn it. It is a very delicate issue. It can be broken even with a small mistake. Therefore, it is said that a friend in need is a friend indeed.

**Nayra Shukla, Class V B**

## My Dream Vacations

There are many things we like to do in our vacations. Some of us want to go on our dream vacation.

My dream vacation is to go to South Korea and sit on the mat under a tree. I would like to go to the historical places there with my family and wear traditional dresses of the country. Meeting different people and getting to know about their cultures and the different places could be my dream vacation. It would be so fun and I would learn their language. Travelling to different places in the whole of South Korea till late at night will be fun. I would love to eat their special dishes also enjoy each bit of this dream vacation.

**Mehar Kaur, Class V E**

## पुस्तकालय

पुस्तकालय से हमें ज्ञान प्राप्त होता है। पुस्तकालय एक ऐसा स्थान होता है जहाँ बहुत सारी किताबें रखी होती हैं। पुस्तकालय में अलग-अलग विषयों की किताबें रखी जाती हैं। मुझे पुस्तकालय जाना बहुत पसंद है। जब भी मैं पुस्तकालय जाती हूँ तब मैं मशहूर लोगों के जीवन के बारे में पढ़ती हूँ। कभी-कभी मैं कहानियाँ भी पढ़ती हूँ। मुझे किताबें पढ़ना बहुत अच्छा लगता है। जब हम कोई किताब पढ़ते हैं तब हमारे मन को शांति मिलती है। हमें पुस्तक पढ़ते समय शोर नहीं करना चाहिए। जब मैं पहली बार पुस्तकालय गई थी तब मैं बहुत सारी पुस्तकें देखकर हैरान हो गई थी। जब भी मेरे पास खाली समय होता है तब मैं पुस्तकालय जाती हूँ। हमें एक न एक बार पुस्तकालय जरूर जाना चाहिए। पुस्तकें हमारे दोस्त के समान होती हैं।

**Aditri Chandrakar, Class IV C**

## मेला

मैं मेला देखने गई थी, मैं वहाँ अपने परिवार के साथ गई थी। जब हम मेले के द्वार में पहुँचे तो चकित रह गए, मेला बहुत बड़ा था। हमने टिकट लिया और अंदर गए। सबसे पहले हम मेले में ड्रैगन बोट पर बैठे, ऐसा लग रहा था, जैसे हम सभी चिड़िया की तरह आसमान में उड़ रहे हैं। मैं और मेरी बहन तो बहुत ज़्यादा डर रहे थे, जब झूला रुक गया तब हमने चैन की साँस ली। फिर हम और भी झूलों पर बैठे और कई खेल खेले, बहुत सी अच्छी - अच्छी चीज़ें भी खाई। इस तरह हमने मेले में बहुत मज़े किए।

हमें बहुत आनंद आया।

**Oshin Aariana Kujur, Class II G**

## नानी का घर

मेरी नानी मुझसे बहुत प्यार करती हैं। नानी के घर में बहुत सारे पेड़ हैं। जब मैं अपने नानी के घर जाती हूँ तो नानी मुझे बहुत खिलौना देती हैं। नानी के घर में मेरी बहन रहती हैं। मेरी नानी का घर बहुत बड़ा है। जब मैं नानी के घर जाती हूँ तो नानी मुझे बहुत सारी मिठाइयाँ देती हैं। नानी के घर में बहुत सारे लोग हैं जैसे कि नानाजी, मामाजी, मामीजी और दीदी। वहाँ मुझे बहुत मजा आता है। मैं उनके यहाँ २० दिनों के लिए गई थी। मैं नानी के घर जाती हूँ तो मुझे बहुत अच्छा लगता है।

जब मैं अपनी नानी के घर जाती हूँ तो मेरी बहन मुझे बहुत खुश रखती हैं। नानी मुझे बहुत सारी चीज़ें देती हैं। मैं नानी के घर में अपना जन्मदिन मनाती हूँ। वहाँ मेरे बहुत सारे कपड़े हैं। मैं अपनी नानी के यहाँ गर्मी की छुट्टियाँ बिताने जाती हूँ। नानी के घर में बहुत सारे फूलों के पौधे हैं। मैं नानी को उनके जन्मदिन पर बहुत सारी उपहार देती हूँ और नानी जी भी मुझे मेरे जन्मदिन पर उपहार देती हैं। मेरी नानी मुझसे बहुत प्यार करती हैं।

**Hinaaya Sancheti, Class II C**

## मेरा प्रिय ऋतु

मेरा प्रिय मौसम ठंड का है। मुझे यह मौसम बहुत पसंद है। मैं इस मौसम में गाजर का हलवा खाता हूँ। इसके अलावा भी बहुत सारे अच्छे-अच्छे व्यंजन बनते हैं। ठंड के दिनों में मौसम बहुत सुहावना होता है। इस मौसम में दिन छोटे और रात बड़ी होती है। इस मौसम में चलने वाली ठंडी-ठंडी हवाएँ मुझे अच्छी लगती हैं। इस मौसम में अक्सर सभी परिवार और दोस्तों के साथ पिकनिक पर जाते हैं।

हमारे देश में सर्दियों का मौसम नवंबर से लेकर फरवरी तक होता है। इस मौसम में पहाड़ी इलाकों में बर्फ गिरती है। ठंड के मौसम में हम अपना शरीर गर्म रखने के लिए ऊनी और गर्म कपड़े पहनते हैं। इस मौसम में हमारे पाठशाला में भी अलग तरह का गणवेश होता है। इस मौसम में लोग गर्म खाना और गर्म पेय पदार्थ पीना पसंद करते हैं जैसे चाय, कॉफी, दूध आदि। इस मौसम में पसीना कम आने के कारण मैं ज़्यादा स्वस्थ महसूस करता हूँ। ठंड के मौसम में कई त्योहार भी आते हैं जिन्हें मनाना मुझे बहुत अच्छा लगता है।

**Adhiraj Chaubey, Class III A**

## मेरा प्रिय खेल

हम सबके अपनी – अपनी पसंद के खेल होते हैं , जैसे लूडो , साँप- सीढ़ी , बैडमिंटन आदि ।

मेरा प्रिय खेल चेस है । उस पर आठ 8 पोंड , 2 रुक्स , दो नाइट , दो बिशप , एक रानी और एक राजा दोनों तरफ होते हैं । मैं अपने पूरे परिवार को इस खेल में हरा सकती हूँ और अभी दो दिन बाद प्रतियोगिता है । मैं उस प्रतियोगिता में हिस्सा ले रही हूँ । मैं बहुत कोशिश कर रही हूँ और आज ही वह प्रतियोगिता है । मैं पहले एक लड़के के साथ चेस खेली उसका नाम राम था । वह भी बहुत अच्छा खेलता है , पर मैं जीत गई । अब मैं किसी दूसरे के साथ खेलूँगी । वह लड़की है और उसका नाम शीला है । वह बहुत समझदार है । मैं जीतने ही वाली थी पर उसने मेरे राजा को मार दिया । मुझे दूसरा स्थान मिला और उसे पहला । वह बहुत खुश है और मुझे बोली “अगर तुम सोचोगी कि तुम कर सकती हो तो तुम जीत सकती हो ” , और वह चली गई ।

**Anayah Khetan, Class III G**

## मेरी हवाई यात्रा का अनुभव

एक दिन मैं अपने कमरे में बैठा था तभी मेरे पिताजी ने आकर कहा कि हम हवाई जहाज़ से दिल्ली जा रहे हैं । मैं आज तक हवाई जहाज़ में नहीं बैठा था । मैंने सिर्फ अपने दोस्तों से हवाई जहाज़ के बारे में सुना था तो मैं बहुत उत्साहित था । मैंने अपने पिताजी से पूछा कि हम कब जा रहे हैं ? उन्होंने कहा – “कल सुबह ।” मैंने तुरंत अपने कपड़ों को अपने बैग में भरा और उसके बाद सो गया ।

अगले दिन मैं उठते ही नहाने चला गया । फिर मैंने अपने बैग को गाड़ी में रखा और हम हवाई अड्डे की ओर चल पड़े । वहाँ पर मेरी माँ ने मुझे मेरा आधार कार्ड दिया । वहाँ पर एक अंकल, सबकी आई .डी की जाँच कर रहे थे । मैंने भी अपनी आई.डी की जाँच करवाकर हवाई अड्डे के अंदर पहली बार कदम रखा । जिस हवाई अड्डे के अंदर हम थे, वह बहुत बड़ा था । हम जल्दी से हवाई जहाज़ के अंदर चले गए । फिर हमारे कप्तान ने कहा कि हम उड़ान आधे घंटे बाद लेंगे । तब तक वहाँ एयर होस्टेस ने हमें सीट बेल्ट्स और सुरक्षा जैकेट के बारे में बताया । फिर हवाई जहाज़ को टैक्सी- वे की तरफ मोड़कर उड़ान भरने की तैयारी की । कुछ देर बाद हमने उड़ान भर ली । मैंने उड़ान के बीच में बहुत सारा खाना खाया । फिर मैं एक घंटे के लिए सो गया । मैं बीच में उठा और पानी पीया । फिर मैं वापस सो गया । कुछ ही देर में हम उतरने वाले थे तो मैंने कुछ देर धैर्य रखा और हम लोग पहुँच गए ।

पहली बार हवाई यात्रा में बैठने का आनंद बहुत अच्छा था । शुरुआत में मुझे बहुत डर लग रहा था लेकिन फिर मुझे बहुत मज़ा आया । हम ट्रेन के मुकाबले हवाई जहाज़ में बहुत जल्दी पहुँच गए । मैं फिर से हवाई जहाज़ में ज़रूर बैठना चाहूँगा ।

**Sarthak Agrawal, Class IV B**

## पुस्तकालय

पुस्तकें हमें ज्ञान देती हैं। पुस्तकालय एक ऐसी जगह होती है जहाँ हम अनेक पुस्तकें पढ़ सकते हैं। अपना मन बहलाने और अकेलापन दूर करने की सबसे अच्छी जगह है पुस्तकालय। वहाँ कहानी की किताबें, चित्रों की किताबें आदि मिलती हैं।

किताबें हमारे मित्र के समान होते हैं। जो हमें सच्ची राह दिखाते हैं। पुस्तकालय में हम अच्छे से समय बिता सकते हैं। मेरे विद्यालय में एक बहुत बड़ा पुस्तकालय है। मैं हमेशा वहाँ कहानी की पुस्तकें पढ़ती हूँ। उस पुस्तकालय में मुझे बहुत अच्छा लगता है क्योंकि मैं अपने दोस्तों के साथ पढ़ती हूँ। मैं वहाँ आत्मकथा भी पढ़ती हूँ। मैं हमेशा पुस्तकालय में शांति बनाए रखती हूँ।

पुस्तकालय मेरी सबसे पसंदीदा जगह है। हमें कभी भी पुस्तकालय में बातें नहीं करना चाहिए। किताबें हमारे जीवन का अभिन्न अंग हैं।

**Vanee Verma, Class IV A**

## मेरी यादगार यात्रा

यह बात कुछ समय पहले की है। मार्च के महीने में परीक्षा खत्म होने के बाद मैं, मेरी माँ, मासी और मामा-मामी ने यह निश्चय किया कि हम कश्मीर घूमने जाएँगे।

मार्च में परीक्षा के बाद हम अगले ही दिन दिल्ली के लिए खाना हुए। वहाँ से कश्मीर के लिए फ्लाइट पकड़कर रात के 8 बजे पहुँच गए। वहाँ से हम ड्राइवर के साथ होटल में लगभग 8:15 बजे पहुँच गए। हम थक गए थे और कमरे में जाने से पहले हम कुछ समय के लिए लॉबी में बैठे ही थे कि उन्होंने हमें गर्म- गर्म कावा वेलकम ड्रीनक के रूप में पीने के लिए दिया। हमें कावा पीने में बहुत मज़ा आया। हम अपने कमरे में जैसे ही पहुँचे मैंने और मेरी बहन ने टीवी पर कब्जा कर लिया। हमने 9:30 बजे रात्रि भोजन किया और मैं लगभग 11 बजे सबसे आखरी में सो गया। हम सुबह 8 बजे उठे और नाश्ता किया और ऊपर आते समय मैं अंकल से मिला। वे वहीं पर काम करते थे। उनका नाम फेज़ था। उन्होंने मुझे कश्मीरी बोली सिखाई और मुझे बहुत मज़ा आया। मैं वहाँ ज्यादातर कश्मीरी बोलता था। सभी परेशान हो रहे थे तो मैंने कुछ समय कुछ नहीं बोला। सुबह 10 बजे मेरे मामा आए और हम घूमने के लिए गए। हम परी महल घूमने गए और हमने कावा पीया, चिकन तंदूरी और फ्रूट सलाद खाया और हम नावघर गए। वहाँ पर हमने खाना खाया। अगले दिन सुबह नाश्ता कर हम पहलगाम गए। वहाँ से हम गुलमर्ग गए और गुलमर्ग से दुधपत्नी गए। मैंने कश्मीर में घोड़ा चलाना भी सीखा और दिन में हम दिल्ली के लिए खाना हुए और वहाँ से रायपुर गए। हम रायपुर 8 बजे पहुँचे।

मुझे बहुत मज़ा आया और यह मेरी पहली यात्रा थी। मैंने बहुत मज़ा किया। कई चीज़ें भी खरीदीं। यह मेरी सबसे यादगार यात्रा थी।

**Jaiditya Chhugani, Class V C**

**Shriya Jain** Class KG-1 C won the consolation prize in western vocals sub junior category in “Jhoom Tarana Mahotsav”. She was the youngest participant.
