THOUGHT OF THE MONTH

"LOVE THE LIFE YOU LIVE, LIVE THE LIFE YOU LOVE"

~Bob Marley

February was a month that encouraged us to seek out a life that makes you feel fulfilled while also appreciating the moments along the way. Let us end this month With a positive mindset and the determination to overcome all setbacks, while enriching both your life and the lives of others with beauty and happiness."

~Snehal Agrawal

DREAMS AND HURDLES

When dreams and hurdles collide
the heart cries, in loud noise.
Yet you won't see it
Coz it's pretended with smile.

I know it hurt sometimes
but it was you who choose the
countryside.

Believe the path you choose
Now being determine and divine
Hurdles will come and pass,
It will be you who have to tackle the
path.

Have patience, be wise
the day will come -
when you will rise.

That day - "we will cheer your
victory with teary eyes".

~Khushi Sao

Cafeteria

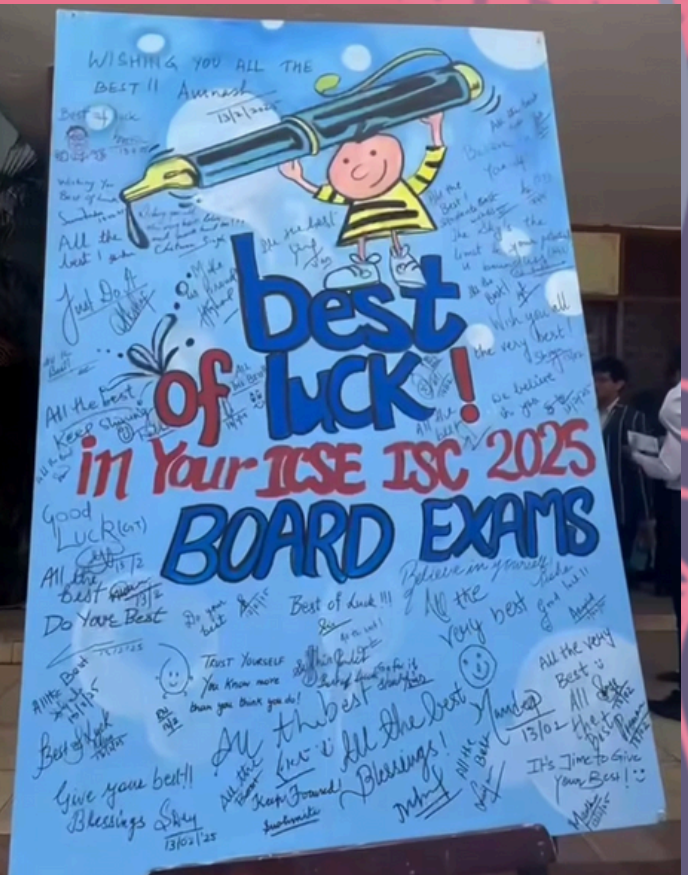

In our RKC we have a cafeteria outing every month as it is a fun way to bring some variety and excitement into students life. The opportunity to enjoy different varieties of fast food allows everyone to unwind, take a break from their regular routines. It also gives students a chance to try new dishes and create memorable experiences. Our canteen is inside our collage premises near Paridhan.
