## Guided by Faith, Growing with Purpose

## My Singapore Trip

This summer vacation, my father planned a trip to Singapore. I was so excited to visit Singapore, and I also searched a lot about it.

The next day, we went to visit Universal Studios, and I was so thrilled as there were a lot of rides. From my opinion, the best ride was Cyclone. On this ride, we rolled down several times!

We also visited many other places like Singapore Flyer, Marina Bay, the Zoo etc.

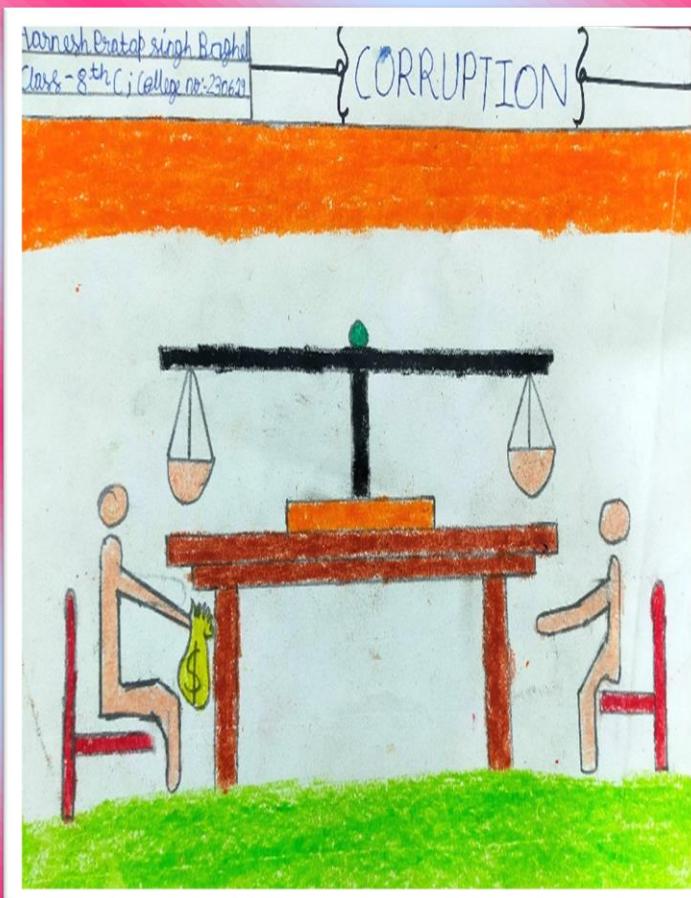

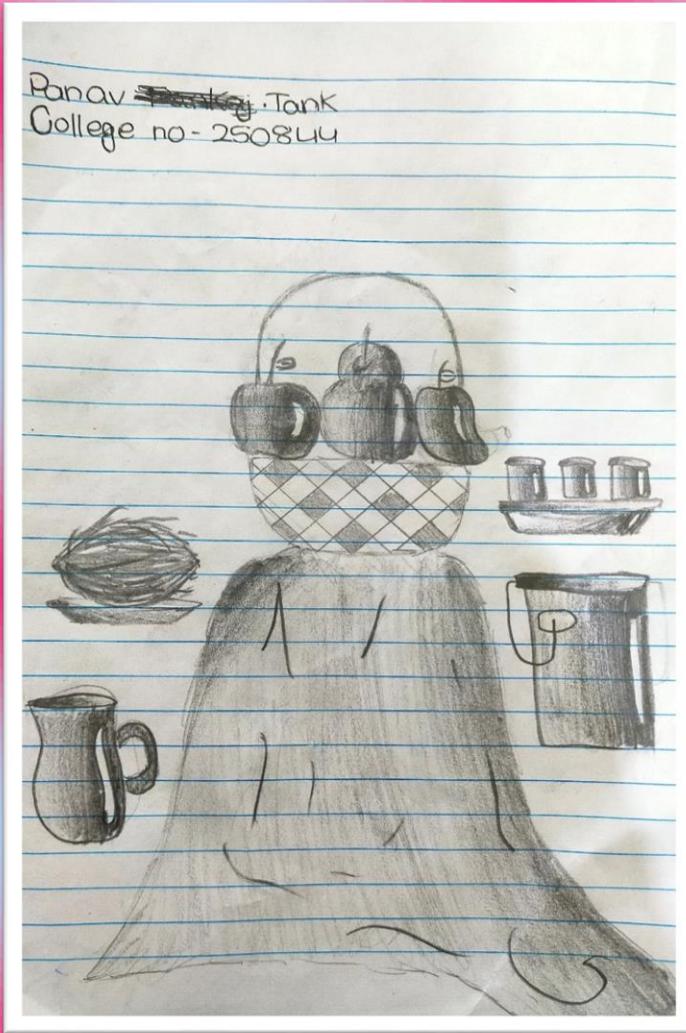

At last, I just want to say it was a fantastic trip!

## My chess class

I have always wanted to learn chess, and when my summer vacation started, I asked my parents to enroll me in a chess class. The name of my chess class is Mind Gym Chess Class. I like chess a lot, and I had a lot of fun learning new tricks on how to play chess like a pro. I learned many gambits like, King's Gambit, Queen's Gambit, Danish Gambit, Cato Kahn Gambit, The Fried Liver Attack and many more. I learned all these tricks as I was in an upper level class. I really enjoyed playing chess and I also want to become a master of playing chess.
