Brawl Stars

I like games on phone . I play for fun. The name of my favourite game is Brawl Stars.

I have a player named “Bo,” and his weapon is a bow and arrow. He is the best player that I have. His ability is good. Also, his superpower is an arrow with a bomb called as Hypercharge. This is the best thing that I have in Bo. I have a special skin for Bo, the underground skin.

I have another brawler named “Effer,” and his weapon is a spray. The range is short, but his attack is very strong, and when he hits the enemy, his power increases. His superpower is to jump on another brawler, but I do not have his Hypercharge yet. I hope I get that soon.

POEM

The Time Changed Me
The time changed me,
The time made me.

I was happy at first,
Then sad at times,

When I joined a new school—
A new adventure for me.

The time changed me,
The time made me.

I made many friends,
Some were very good to me.

The time changed me,
The time made me.
