TEACHERS DAY

GUIDING STARS IN THE GALAXY OF GROWTH – WHERE WISDOM WHISPERS AND WONDERWAKES.

In the grand symphony of learning, teachers are the timeless conductors guiding every note of curiosity, every rhythm of reason, and every melody of growth. They do not merely instruct; they ignite. With patience as their pen and wisdom as their ink, they script stories of strength, shaping restless minds into resolute spirits. Each lesson they weave is a lantern in the labyrinth of life, each word a whisper of wonder that awakens worlds within us. They are the unseen architects of ambition, the silent sculptors of success transforming classrooms into crucibles where character is forged and dreams take flight. On this Teacher's Day, we salute those radiant souls who turn knowledge into a kind of kindness and discipline into destiny the eternal torchbearers of truth and transformation.

Students from RDBH participated in an event focused on saving the future and protecting the environment. Both teams delivered insightful, action-oriented presentations that highlighted innovative, practical ideas for sustainability and climate resilience. Their clear communication, scientific grounding, and passion for ecological stewardship earned them top honors, with both teams securing the first prize.

Our Planet, Our Responsibility: Environment Highlights

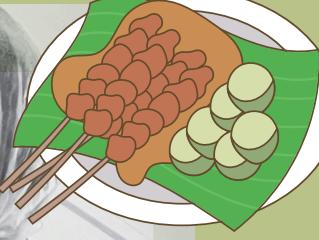

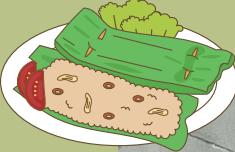

In addition to their first-place wins, one team was awarded a prize of ₹22,000, while a consolation prize of ₹3,000 went to another deserving team. The accolades reflect the strong teamwork, creativity, and commitment to environmental action demonstrated by the students.

RDBH Boys, Volleyball Represented : Rajkumar College Students Compete at IPSC Level

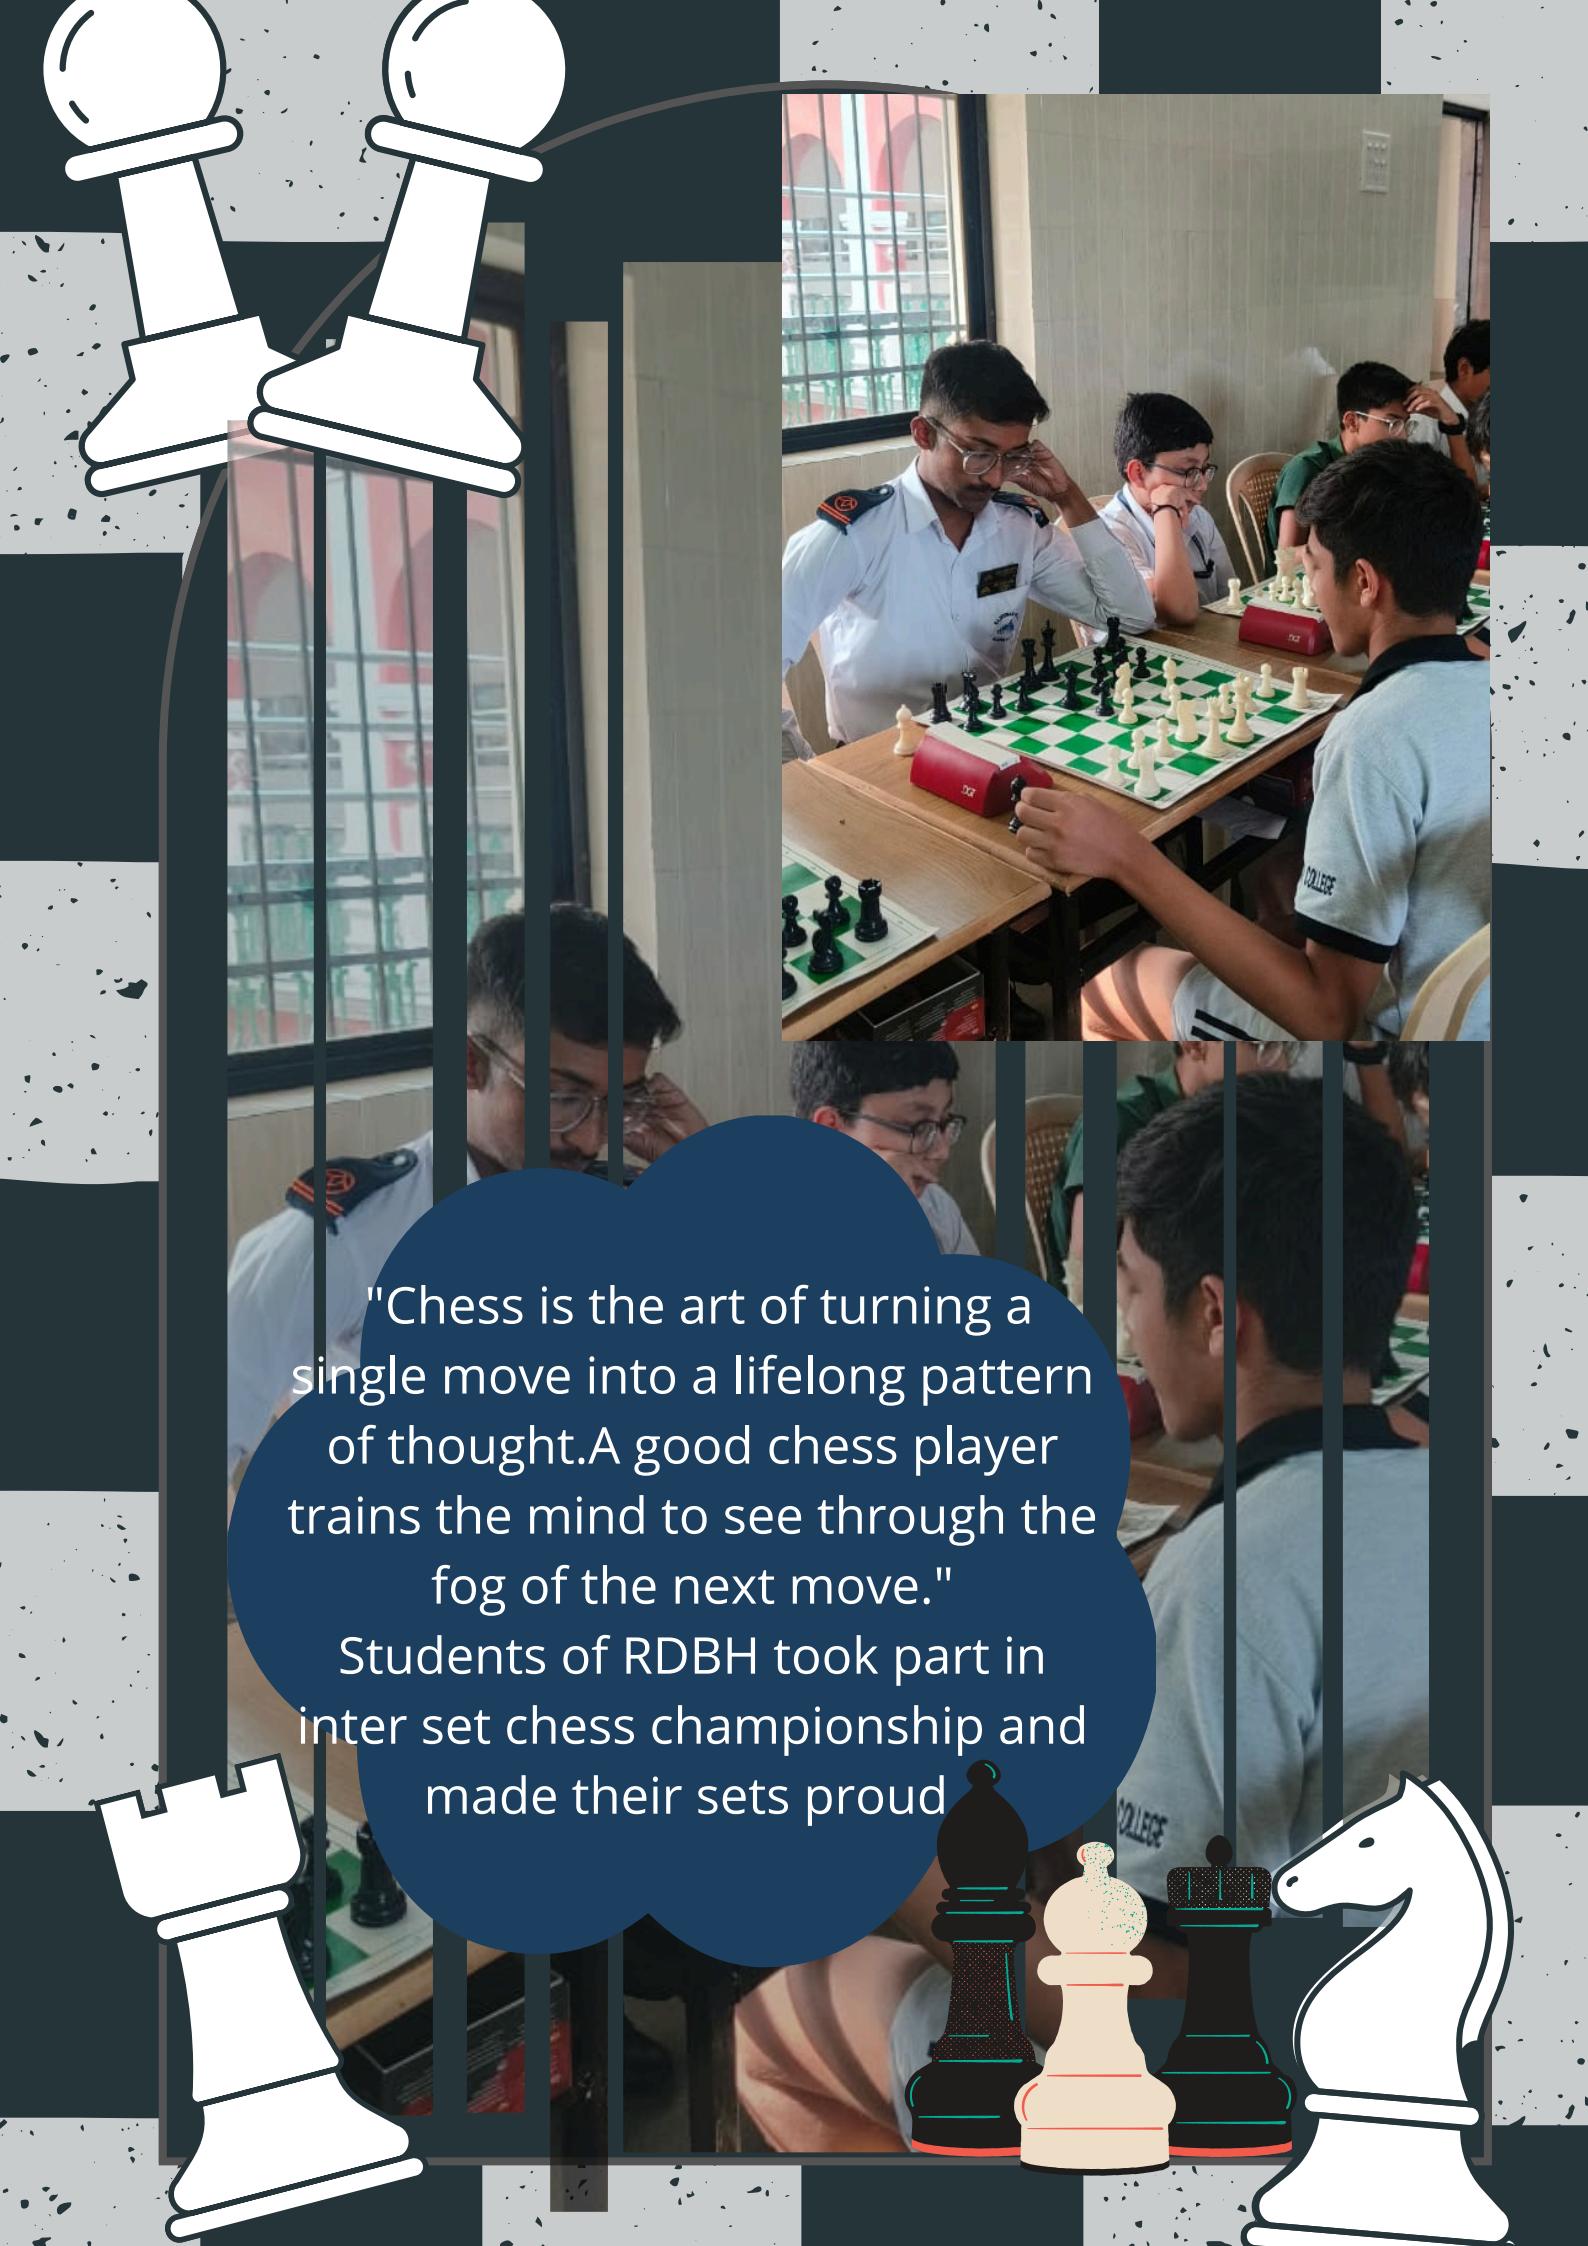

A talented group of students from RDBH – Tirth Patel, Ghanisht P. Dugga, Bhavya Jain, Himesh Singh, Sourab S. Sidar, Sabhya Kiri, Digvijay Shah, and Nikunj Agrawal – proudly represented Rajkumar College in the IPSC Volleyball Championship. Their teamwork, determination, and sportsmanship reflected the true spirit of the school, earning admiration both on and off the court. Competing against some of the best teams from across the country, they showcased exceptional skill and unity, bringing honor and pride to Rajkumar College.

"Chess is the art of turning a single move into a lifelong pattern of thought. A good chess player trains the mind to see through the fog of the next move."

Students of RDBH took part in inter set chess championship and made their sets proud

Spirited group of students of RDBH collaborated to write and shoot a short film that captures the pulse of their campus. From the early draft sessions to the final cut, they blended creativity with teamwork—crafting compelling dialogue, crafting a tight narrative, and coordinating roles behind the camera.

Football Match

Visit To an Old Age Home

In this era, where troubling news often highlights families turning away their parents from home, there is a heartening countercurrent: RDBH'S students visited an old age home and spent a meaningful, joyful afternoon with the residents. The students listened to stories, shared laughter, and offered companionship that reminded everyone of the enduring value of care and community.
