BDBH WELCOME PARTY

On 4th July 2026, the boarders gathered at BDBH from 6:30 PM to 9:30 PM for a memorable Boarding House Party. Organized to extend a warm and heartfelt welcome to the newly admitted Class 11 batch, the evening turned out to be an unforgettable mix of inspiration, high energy, and genuine camaraderie.

The program kicked off on an encouraging note as our Vice Principal Sir addressed the gathering. His uplifting words resonated deeply with everyone, offering guidance and setting a positive, motivating tone for the academic session ahead. He reminded the students to make the most of their time together and embrace the journey with confidence.

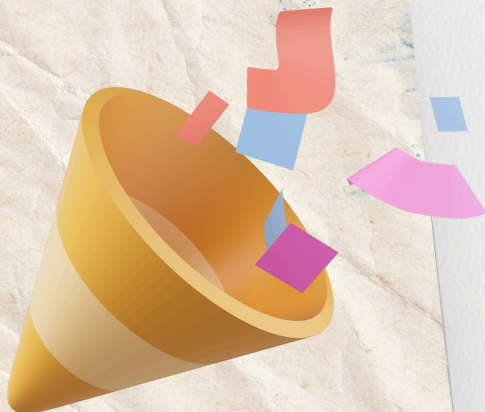

Once the formal proceedings wrapped up, the atmosphere transformed entirely as the floor opened up for music and celebration. The entire batch let loose—singing along to popular tracks, dancing, and enjoying every moment. It provided the perfect setting for classmates to let their guard down, break the ice, and build early friendships beyond the walls of the classroom.

To top off a fantastic night, everyone gathered for a delicious, hearty dinner. Served with authentic recipes and packed with rich, savory flavors, the meal was a highlight in itself, leaving both hearts and stomachs thoroughly satisfied.

All in all, the party was far more than just a welcome event—it was the official beginning of a shared journey. As the night wound down, the boarders walked away not just with happy memories and sore feet from dancing, but with the reassuring feeling that BDBH had truly become their home away from home.
