Rooted in Tradition

Story of Life

You can't skip chapters,
that's not how life works.
You have to read every line,
meet every character.
You won't enjoy all of it.
Hell, some chapters will make
you cry for weeks.
You will read things
you don't want to read,
You will have moments when
you don't want the pages to end.
But you have to keep going.
Stories keep the world revolving.
Live yours, don't miss out.
